

Lesson Overview

This week we are focusing on the fact everyone can be filled with the Holy Spirit and begin speaking in tongues.

Throughout the book of Acts, tongues was the evidence that the followers of Jesus had been filled with the Holy Spirit. The second chapter of Acts shows all the blessings of being filled with the Holy Spirit. 3,000 people were saved that day — all because they heard the disciples speaking in tongues and saw for themselves the power of the Holy Spirit working in the disciples lives.

Our children need this power of speaking in tongues in their own lives. It will build them up and make their spirits stronger. Isn't it great to know that everyone can speak in tongues?!

- The results of the people hearing the disciples speaking in tongues was that 3,000 people were saved that day. Can we have the same affect on unsaved people in our lives?

Lesson 5: I Can Speak In Tongues!

Many times we miss out on something special our parents have for us because we get impatient. We must wait on the Holy Spirit and the special gifts He has for us!

When we seek to do what the Holy Spirit wants us to, we can be the instrument the Holy Spirit uses to bring others to know Jesus as their Savior!

Apply It!

In my Bible reading and prayer this week, God put this on my heart...
